Dear Sir:

I have been given your name by Mr S. H.  
Posey of the Homestead Grays.

I am writing to ask if you would like to  
have The Eagles play a game in Spartensburg Wed-  
nesday April 25th.

Is there a local team we would play there?  
If the game is arranged, is there a place for the  
ballteam to stay? Would you want me to order the  
window cards? if so send the information to go on  
them. I am asking all these questions now, as the  
time is short, and if we do get together, it will  
save a little time.

I will appreciate hearing from you right  
away, one way or the other.

Very Truly Yours
